

## **Grow Your Emotional Intelligence= Develop Leadership= Develop Yourself**

**What does your body/mind have to do with building your emotional intelligence?  
Hear what neuroscience has to say. Learn and experience embodied self-awareness as  
an efficient tool to build emotional awareness, emotional regulation, better decision  
making and more productive relationships.**

***May 21, 2020 4:00 PM by Zoom Link will be emailed to you.***

**Caryn Corenblum, JD, LCSW, PCC, PGCNL, SEP™**

**Caryn is an International Coach Federation (ICF) credentialed Professional Certified Coach (PCC) and a certified life coach with over 3500 hours of coaching experience. Currently, Caryn is President of IntuitivEdge Coaching and Learning. Caryn works with individuals and groups by providing coaching and learning for executives, emerging leaders and individuals who wish to tap into their potential and improve their sense of agency, mastery and confidence. Caryn conducts specialized workshops on the Neuroscience of Leadership with the purpose of inspiring participants to take self-directed actions for positive change.**
